Re: Death of a COVID-19 Patient

---

On May 2, 2020, a patient who was being treated for COVID-19 at the Hunt Regional Medical Center in Greenville passed away. The patient was previously reported as Tracked Case No. 23 on April 15, 2020. The patient was male, aged 65+, lived in ZIP Code 75401, and had underlying medical issues which may have contributed to his death. Hunt County's statistical information will now include notations of three deaths of Hunt County residents. The second of those three deaths occurred in Dallas County, but it is being included in the Hunt County statistics due to state rules regarding residency and epidemic reporting.
