

Neighborhood Empowerment Zone

Background

Chapter 378 of the Texas Local Government Code authorizes municipalities to create Neighborhood Empowerment Zones (NEZs) and provide tax and other incentives to promote affordable housing and economic development, and improve the quality of social services, education, or public safety for residents of the NEZ. Pursuant to this law, the City of Commerce City Council created the NEZ program, effective October 1, 2019, to encourage redevelopment activities in the northeastern portion of the city.
