Hunt County will release current hospitalization numbers in its morning report.

Because three of the earlier Tracked Cases were either outside of the County or tested negative, there have been a total of -- positive cases of Hunt County residents to date.

Each morning, the County will release and post on its website a new set of numbers and charts showing the total number of cases, including the status and ZIP Codes of those cases. The state's website includes a map which may be accessed at "[dshs.state.tx.us/coronavirus](https://dshs.state.tx.us/coronavirus)" by clicking on the "Texas Case Counts" link.
