

**CITY OF COMMERCE - PUBLIC NOTICE
2023 MOSQUITO SPRAYING SCHEDULE**

The City of Commerce will be spraying for mosquitos in an effort to reduce a significant health risk to our community. We will begin implementing our Mosquito Management Plan on Monday, May 1, 2023, using a truck-mounted fogger.

The fogging unit's output is calibrated to ensure the correct amount of product is applied for each treatment area. All products are registered with the Environmental Protection Agency (EPA) and are applied by a trained and state-certified technician.

The spraying is more effective if it takes place during peak mosquito activity hours. Mosquitos are most active around dusk. Spraying will begin around 7:00 p.m., weather permitting, and will continue in each area until it is completed. In the event of rain, the spraying will resume on the next scheduled day in your area. Mosquito spraying will continue, as scheduled below, through the end of September.

SECTION A – MONDAY										
May 1	May 15	Memorial Day-No Spraying	June 12	June 26	July 10	July 24	August 7	August 21	Labor Day- No Spraying	Sept 18

Borders the north side of Maple and the east side of Park										

**THIS PRODUCT IS EXTREMELY TOXIC TO FISH. FISHPONDS SHOULD BE COVERED
WHEN SPRAYING IS SCHEDULED IN OR NEAR YOUR AREA.**

The chemicals are of low toxicity to people and pets, but they are pesticides and direct contact should be avoided. Be sure to bring in pet bowls prior to spraying. Please stay indoors when the truck is in your area. The chemicals will not be sprayed if the driver sees residents outside. Questions or comments should be addressed to the Public Works Department at 903-886-1152.
